

PROTECTION OF PERSONAL DATA ON THIS PLATFORM

The information collected on this platform <https://expleo.signalement.net> is intended to be used only for the processing of the report by Expleo Group S.A.S., in its capacity as data controller, and this in accordance with its legal obligation under the Sapin 2 law.

The processing of personal data collected on this occasion will be done in compliance with the "Informatique et Libertés" law amended and the General Regulation on the Protection of Personal Data (GDPR).

To exercise your rights, in particular your right of access, rectification, erasure of your data, as well as your right to limitation and opposition to the processing carried out, you may contact the following address dpo@expleogroup.com.

To learn more about the management of your personal data and your rights, go to the "Whistleblowing Procedure ExpleoGroup-EN".

It is reminded, for all practical purposes, that any person concerned by an alert (for example, as a witness, victim or alleged perpetrator) will be informed by the controller within a reasonable period of time, which may not exceed one month, following the issue of the alert.

Nevertheless, this information will be delayed when it is likely to seriously jeopardize the achievement of the objectives of the processing operation (for example, in the presence of a risk of destruction of evidence), in which case the information will be delivered as soon as the risk has been averted.

In any event, this information will not contain any information relating to the identity of the person issuing the alert, or that of third parties.

When a disciplinary sanction or legal proceedings are initiated following the alert against the person concerned, the latter may obtain communication of such information in accordance with applicable regulations, in particular to exercise his rights of defense.
